- The figures for the quarter ended March 31, 2016 are the balancing figures between the audited figures in respect of the full financial year ended March 31, 2016 and the published year to date figures up to the third quarter ended December 31, 2015.
- During the year Company had made an application to Central Government ( The Ministry Of Corporate Affairs ) seeking approval for the remuneration payable to the Executive Chairman due to inadequacy of profits for the year 2014-15. Company was advised to make an application to the Central Government for seeking waiver of recovery of this amount and accordingly Company has made the requisite application to the Central Government. The said application is pending for approval and therefore Company has not recovered any amount nor accounted for it as recoverable in the books of accounts as on 31st March 2016.
- Previous periods' figures are regrouped, wherever necessary to make them comparable with those of the current year.
