

Summary

I'm a highly motivated and hardworking individual looking forward to a responsible role in a reputable organization to expand my knowledge and leverage my learnings. Consciously prepared to launch my career and build a valuable skill set where I can contribute to organizational growth.

Education

B.E. in Mechanical Engineering KLS Gogte Institute of Technology, Belgaum CGPA: 7.8	Sep 2023 – Present
Pre-University Course (PUC) KLE's RL PU College of Science, Belgaum Percentage: 81.66%	March 2023
SSLC MM's Central High School, Belgaum Percentage: 91.36%	July 2021

Projects

Single Motor Double Door Opening Mechanism

- Designed and developed an embedded-based automatic double door opening mechanism using a single motor.
- Reduced system complexity and cost by utilizing a single actuator for dual-door operation.
- Improved synchronization and efficiency of door movement.
- Demonstrated practical application of mechanical design and automation concepts.

Skills

Programming: C, JAVA

CAD & Design : fusion 360 , CATIA V5 , 3DEXPERIENCE AutoCAD(2D Basic)

Soft Skills : Leadership, Communication, Teamwork, Time Management

Achievements

- Achieved 1st Place in the Autonomous Drone Development Challenge at SDM College of Engineering and Technology through successful drone innovation and implementation.
- NCC 'A' & 'B' Certificate Holder
- Participated in 'AGRIVISION' National Level Agri-thon

Additional Information

Languages: English, Hindi, Marathi, Kannada

Interests: designing, Exploring New Technologies , Cricket
