## Education

**SVERI's College of Engineering, Pandharpur**

*Bachelor's of Technology in Mechanical engineering*

**2022 – Pursuing**

*CGPA: 9.84/10.0*

**Sulakhe Highschool Barshi**

*HSC*

*87.67*

**Karmveer Bhaurao Patil Vidyalay Chikhrde**

*SSC*

*79.20*

## Relevant Coursework

- Python
- Java
- TATA Technology Certified
- Certificate of Code without Barrier
- CITI Certificate of IRB-SBS Researcher Basic course

## Projects

**Analysis of MEMS comb drive with Different structural material | Java**

- Analysis of MEMS comb drive with Different structural material.
- To Analyze and Compare Electrostatic Force Generation.
- To Evaluate Displacement Behavior of Movable Comb Fingers.

## Technical Skills

**Auto CAD, CATIA, JAVA, Python**

## Soft Skills

**Team Collaboration**  
**Time Management**  
**Leadership**

## Certificate

**Meritorious Student Award-2023**  
**Class Representative (2022-2023)**  
**ASHRAE Student Member (From 2024)**  
**Member of Teacher and Parents committee.**

## Workshop Attended

**Art of living**  
**NIK HVAC Workshop**

## Extra-curricular

**MESA Event**

**Head**

*Sveri's College of Engineering, Pandharpur*

- Lead the event planning, team management and collaboration, ensuring smooth operations for successful execution.
- Worked as assistance for Project-an impact study of solar irrigation adoption in Pandharpur
