

ATHARVA KULKARNI

Mechanical Engineering Student

CONTACT

Phone: 9405009898

Email: atharvaakulk@gmail.com

Location: Pune, Maharashtra

PROFILE

Mechanical engineering student with strong discipline from NCC training and hands-on skills in CAD design and front-end development. Focused on structured execution, leadership, mechanical analysis, and practical problem-solving.

SKILLS

- Leadership
- Teamwork
- Time Management
- Effective Communication
- Problem Solving
- Critical Thinking
- Discipline and Responsibility

TECHNICAL SKILLS

CAD Software: AutoCAD, Creo

Programming: HTML, CSS

EDUCATION

Deccan Education Society School — SSC: 76.30%

Chate Junior College — HSC: 88.83%

AISSMS College of Engineering — FE SGPA: 6.45, SE SGPA: 6.90

PROJECTS

Small Arms Mounts (Independent Project): Designed compact mechanical mounts emphasizing structural stability, load support, precision alignment, and vibration reduction using mechanical and CAD principles.

EXTRA-CURRICULAR

NCC — Army Wing Cadet: Trained in drill, discipline, field coordination, and high-responsibility execution.

College Activities: Participated in mechanical engineering events, teamwork-based academic projects, and departmental activities.
