

QUALITY, ENVIRONMENT, OCCUPATIONAL HEALTH & SAFETY POLICY

Kirloskar Pneumatic Company Limited is in the business of manufacturing Air, Gas & Refrigeration Compressors and Packages, Vapour Absorption Chillers, Hydraulic & Mechanical Transmission Products and Gears.

Through implementation of QEOHS Management System, We commit

- to be a process driven organization.
- that all our Products & Services meet Customers' Needs & Expectations.
- that Quality, Environmental and OH&S requirements are an integral part of our processes.
- that as an organization we will focus on continual improvement of QEOHS performance.
- to provide safe & healthy working conditions for prevention of work related injuries, ill health and provide a conducive atmosphere to our interested parties.
- to establish a platform for setting and reviewing Quality, Environment and OH&S objectives.
- to periodically assess, review and mitigate the environmental aspects/impacts and OH&S hazards / risks in its Activities, Products & Services.
- to comply with all applicable compliance obligations / legal and other requirements to which Kirloskar Pneumatic Company Limited subscribes to that relate to environmental aspects and OH&S hazards.
- to eliminate hazards and reduce OH&S risks.
- to continually work towards the protection of environment , including prevention of pollution and other specific commitments relevant to the context of the organization.
- to ensure consultation and participation of workers, and, where they exist, workers representatives.
- to be a socially responsible organization.

Kirloskar Pneumatic Company Limited is committed to the satisfaction of all our Stakeholders.

Our 'Values' will be central to all our actions.
