Hindi

OBJECTIVE

Motivated mechanical engineering student with strong interest in manufacturing and foundry processes. Eager to apply practical knowledge and develop skills in a professional environment.

TECHNICAL SKILLS

- AutoCAD , Siemens NX and Solidworks
- Foundry and Casting Knowledge
- MS Excel, Word

PROJECTS

- Investment Casting Process Optimization
- ML-based Alloy Recovery Optimization
(Ongoing)

INTERNSHIP

- Gokul Ferro Cast, Belagavi
- Observed foundry operations and casting processes

INDUSTRY EXPOSURE

- Foundry visits: Mayura Alloy,AKP ferrocast
- Heat treatment & machining: PTP CNC
- Gained practical understanding of industrial processes

SOFT SKILLS

- Problem Solving
- Quick Learning
- Teamwork
