Work Experience and Training

1. Trimurti Stainlink Equipments Pvt. Ltd.
(TRUSTAR)-(Jr. Manager)
2. Reliance Calibration-(Production Engineer Trainee)
3. Festo Pvt. Ltd. -(Trainee)
4. NAIP training from Konkan Railways-(Trainee)
5. Workshop on EV Technology at Dept. of Electrical and Electronics Engineering, MITWPU, Pune-(Trainee)

Skills

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Creative Thinking

Softwares

- Autocad
- Ansys
- Solidworks
- Catia
- Fusion

Education

2010 to 2020

DR. KALMADI SHAMRAO HIGH SCHOOL

78.12% in 10th

2020 to 2023

MIT SCHOOL OF POLYTECHNIC

secured first class distinction

CGPA : 9.87

2023 to 2026

MIT SCHOOL OF ENGINEERING

Btech Mechanical Engineer

Hands On Experience

1. TIG Welding
2. MIG welding
3. Electrode arc welding
4. DRO Machine
5. Conventional Lathe machine
6. Laser cutting and Bending machine
7. EV components and diagnostics

Projects

1. Design And Manufacturing of Plastic Shredder
2. Copper chromium welding electrode
3. Design of 2 stage speed reduction gearbox
4. Design and manufacturing of solar dehydrator
5. 3d printed universal coupling
6. Manufacturing of bamboo steamer
7. Manufacturing of gearless transmission by using elbow mechanism
8. Developed and demonstrated a working prototype for the project titled 'Automated Surface Defect Detection System for Rolls Royce Aircraft Engine Blade' at Bharat Forge limited, Pune.
