

PRASAD MAHANUBHAV

Mechanical Engineering Student

+91 7620719974 | mahanubhavprasad36@gmail.com

Third-year Mechanical Engineering student with a strong foundation in Fluid Mechanics, Fluid Power, Thermodynamics and SolidWorks having interest in the automobile components design and manufacturing

EDUCATION

Bachelor of Engineering (B.E.) — Mechanical Engineering

2024– 2028

Gokhale Education Society, Nashik

- CGPA: 8.23 / 10

TECHNICAL SKILLS

- Core Subjects: Fluid Mechanics, Fluid Power, Thermodynamics
- CAD Software: SolidWorks (3D Modeling, Assembly, Drafting)
- Areas of Interest: Automobile Components, IC Engines, Hydraulic & Pneumatic Systems
- MS Office: Word, Excel, PowerPoint

AREAS OF INTEREST

- Automobile components and sub-systems
- Fluid power and hydraulic/pneumatic systems
- Thermal and IC engine systems

KEY STRENGTHS

- Strong analytical and problem-solving approach
- Quick learner with keen interest in automotive engineering
- Good communication and teamwork skills
- Disciplined and punctual with a strong work ethic

PERSONAL DETAILS

- Address: Flat No. 5, Krushna Heights, Samartha Nagar, Tapovan Road, Nashik
- Languages Known: English, Hindi, Marathi
- Nationality: Indian
