## INTERNSHIPS

### MAHARASHTRA STATE ELECTRICITY DISTRIBUTION COMPANY LIMITED (MSEDCL) Pune.- 411016

14 Jun, 2023 - 22 Jul, 2023

Electrical Engineer

**Key Skills:** Distribution Line Maintainance | Fault troubleshooting | Site inspection | Switchgear understanding

Completed academic and practical training in electrical power distribution and utility operations with focus on basics of metering, energy meters, distribution transformers, cables and insulators, electrical safety, billing procedures, and sustainable development goals.

Gained knowledge about the history and operations of MSEDCL, AT&C losses, electricity theft and preventive measures, and practical meter reading techniques. Worked with MSEDCL engineers in substation mapping using AutoCAD and visited the SCADA unit to understand monitoring and control systems.

Participated in various industrial and site visits including EV charging stations, meter testing and filter units, solar rooftop systems, solar expo exhibitions, SCADA centre, substations, and hybrid inverter companies, which provided practical exposure to modern electrical power systems and renewable energy technologies.

## ASSESSMENTS / CERTIFICATIONS

### NPTEL

Aggregate: 72 / 100

Subjects: Effective Writing ( 72 / 100 )

**Key Skills:** Effective Technical Writing | Report Writing and Documentation | Presentation and Communication Skills

Completed NPTEL online course of Effective Writing
