

SAARANG CHODANKAR

73852171678

Saarangchodankar17@gmail.com

Profile

Mechanical Engineering student with a focus on the Automotive and Aeronautical Sector, specifically. Interest in Engineering Design utilizing AutoCAD, Creo, and Solidworks to develop precise CAD models and technical drawings

Experience

1 month SAE INDIA Skill development program on CAD Designing tool (Creo)

CERTIFICATIONS

1. Non-conventional energy Resources
2. Renewable Energy Engineering
3. Aircraft Propulsion
4. The Joy of Computing Python
5. Soft Skills
6. Entrepreneurship Essentials
7. Design of Precision Machines
8. Drone Systems and Control
9. Rapid Manufacturing

Educational History

GOA COLLEGE OF ENGINEERING

BE Mechanical Engineering

ROSARY HIGHER SECONDARY

HSSV

PERPETUAL SUCCOUR CONVENT

SSC

Workshop

1. Modeling and Simulation using Scilab
2. Introduction To Scada
3. Fusion 360
4. Autodesk Auto CAD
5. MATLAB and Simulink
6. AUTODESK CFD
7. Fluid Power Control Applications
8. 3D Printing Workshop
9. Robotics
