WORK EXPERIENCE

Senior Engineer - Electrical Tata Consulting Engineers Limited

08/2022 - 05/2025

Navi Mumbai

A private sector engineering and project consultancy company (EPCM) providing integrated engineering solutions

Achievements/Tasks

- Planned and managed monthly deliverables by coordinating cross-functional teams to align on timelines and resource needs
- Ensured quality by reviewing vendor and inter-departmental documents for equipment and electrical systems to maintain project consistency, solely represented the organization during Factory Acceptance Tests for electrical panels in Tamil Nadu with only 2 years of experience
- Prepared technical specifications (Tender Documents) and Technical bid analyses (TBA) for 15+ critical electrical systems, negotiating with vendors for optimal quality and cost
- Conducted client model reviews at 60% and 90% project progress by resolving critical client comments through cross-functional coordination, contributing to high customer satisfaction
- Delivered training sessions on electrical system design and preparation, enhancing team capability and technical knowledge

CERTIFICATES

Lean Six Sigma - Green Belt

POSITION OF RESPONSIBILITIES

Project Engineer, Tata Consulting Engineers Limited (12/2023 - 05/2025)

- Spearheaded electrical team of 4 engineers and 5 diploma graduates and independently handled entire electrical design scope for Greenfield project from design to construction management stage
- Designed and prepared over 200 electrical system layouts, including lighting, earthing, and SLDs
- Planned & managed monthly deliverables by coordinating with cross-functional teams, ensuring alignment on timelines & resources, leading to timely completion & improved project execution efficiency

Class Representative, Indian Institute of Management Raipur (08/2025 - Present)

- Elected Class Representative with 330+ votes, representing batch interests and ensuring effective student advocacy
- Advocated batch concerns to over 15 faculty members, driving smooth academic coordination and collaboration
