RAMA UDAY KULKARNI

MBA CANDIDATE | OPERATIONS & SUPPLY CHAIN MANAGEMENT

Pune, Maharashtra | +91-9529482964 | ramakulkarni2801@gmail.com

PROFESSIONAL SUMMARY

MBA candidate specializing in Operations and Supply Chain Management, with purchasing internship exposure in automotive component manufacturing. Practical exposure includes preparing PR proposal data from SAP, supporting PO amendment comparisons in Excel, and coordinating supplier follow-ups for asset verification documentation. Familiar with procurement documentation and cross-functional purchasing workflows.

INTERNSHIP EXPERIENCE

Tata AutoComp Systems Ltd. | Chinchwad, Pune

Purchase Intern | 06 July 2026 – Present

• PR Proposal Preparation: Retrieved PR-number-wise quantity, unit of measure (UOM), and rate information from SAP and transferred the data to Excel for proposal preparation.

• PO Amendment Support: Prepared Excel comparisons using PO-wise details for skilled, semi-skilled, and unskilled manpower-related items; compared current and revised rates and quantities and used formulas to calculate old and new values.

• Supplier Follow-up: Called suppliers regarding asset verification certificates after senior-level email communication, supporting follow-up and verification coordination.

• Developed practical understanding of purchase documentation, SAP-based data extraction, Excel calculations, and supplier communication.

Samvardhana Motherson Automotive Technologies & Engineering

Purchase Intern | 04 May 2026 – 02 July 2026

• Gained exposure to purchasing operations, procurement documentation, and supplier-related coordination in an automotive manufacturing environment.

• Studied the purpose and flow of purchase orders, delivery challans, goods-receipt documentation, invoice-related records, and supplier forms.

• Developed foundational knowledge of direct and indirect purchasing, domestic and import procurement, and supplier evaluation processes.
